THE FUTURE IS OURS

CLASS HISTORY

A certain part of every senior's final year is spent in reflecting on the past. And even though the year moves all too rapidly towards graduation, each senior does indeed look back upon past experiences that will never be forgotten. Definitely, in spite of this reflection and the busy air around us, it is hard to believe that we will soon leave the "hallowed halls" of good old PRHS behind.

1967 was our first year in high school and that fall the doors of Pelican Rapids High School opened to admit a group of eager, but uncertain, freshmen. Ed Anderson, our frosh president, led this group through that hectic, but exciting year. Cindy Edwardson, Carol Johnson, Don Christianson, and Colette Larson, our officers, assisted in the task. The upperclassmen seemed big--the school bigger.

We returned in the fall of '68 to find many new doors opened to us. Kermit Johnson, Brian Carlson, Mark Maland, and Bev Ohe led our sophomore bunch through a busy year. This year brought us our own choice of elective courses, the duty of serving for the prom and banquet, and the priviledge of choosing representatives in the homecoming court. Leslie Hauger, Colette Larson, Chuck Evenson, and Kermit Johnson did a fine job of representing us at homecoming. To add to the memories, the 1968-69 Viking basketball team became the first in this school's history to go undefeated through the regular season and to capture the District 23 title. We were in charge of graduation, and only too soon it would be our turn.

Our junior year went just too fast, with even more opportunities sprouting. Homecoming (with Leslie Hauger, Ann Weiss, Ed Anderson, and Kermit Johnson as attendants), the magazine drive (a sales record), the junior class play ("Penny"), and our first prom and banquet (Sayanara - a big success) all helped highlight a good year. Again, Ed Anderson was our president, with Tom Shulstad, Cindy Edwardson, Bob Nelson, and Daryl Haarstick backing him up.

The summer moved just too swiftly, and here we are--seniors. Too soon will the "big day" arrive. School work, social life, activities, and the like will all bridge the gap between the opening day in September and graduation in May, but the time is flying too swiftly. Our leaders for the busy and memorable year came in the person of Ruth Smestad, Mark Maland, Beverly Ohe, and Ellen Wilcox, and able leaders they proved to be. Queen "Tutti" (Ann Weiss) reigned over a memorable homecoming and our class play, "A Midsummer Night's Scream" was enjoyed by all. The football season wasn't the biggest success story on record, but both the basketball and wrestling teams did fine, cross-country came to town, and Viking pride soared.

It's almost over now, as we come to one of the major plateaus of our young lives. But despite the fact that time is short and the thought of graduation is dominant, we still strive to gain as much as we can. The fact that we will soon be done with school only serves as a boost to our lives and spirits. Much will be accomplished in the remaining days, and each day will hold its own special memory.

As we reflect, however, we realize that we couldn't have done it alone. Even in crossing that stage one May evening, we will know really how much we owe to the many that have stood behind us.

Therefore, in pausing before going, on, we - the Class of 1971 - would like to take the time to thank all those who have made us what we are. To our family and friends, our teachers and counselors, and our advisors and aquaintances we all owe a sincere thank you. We appreciate deeply a job well done. One that will make PRHS a fond and unforgettable memory for all.

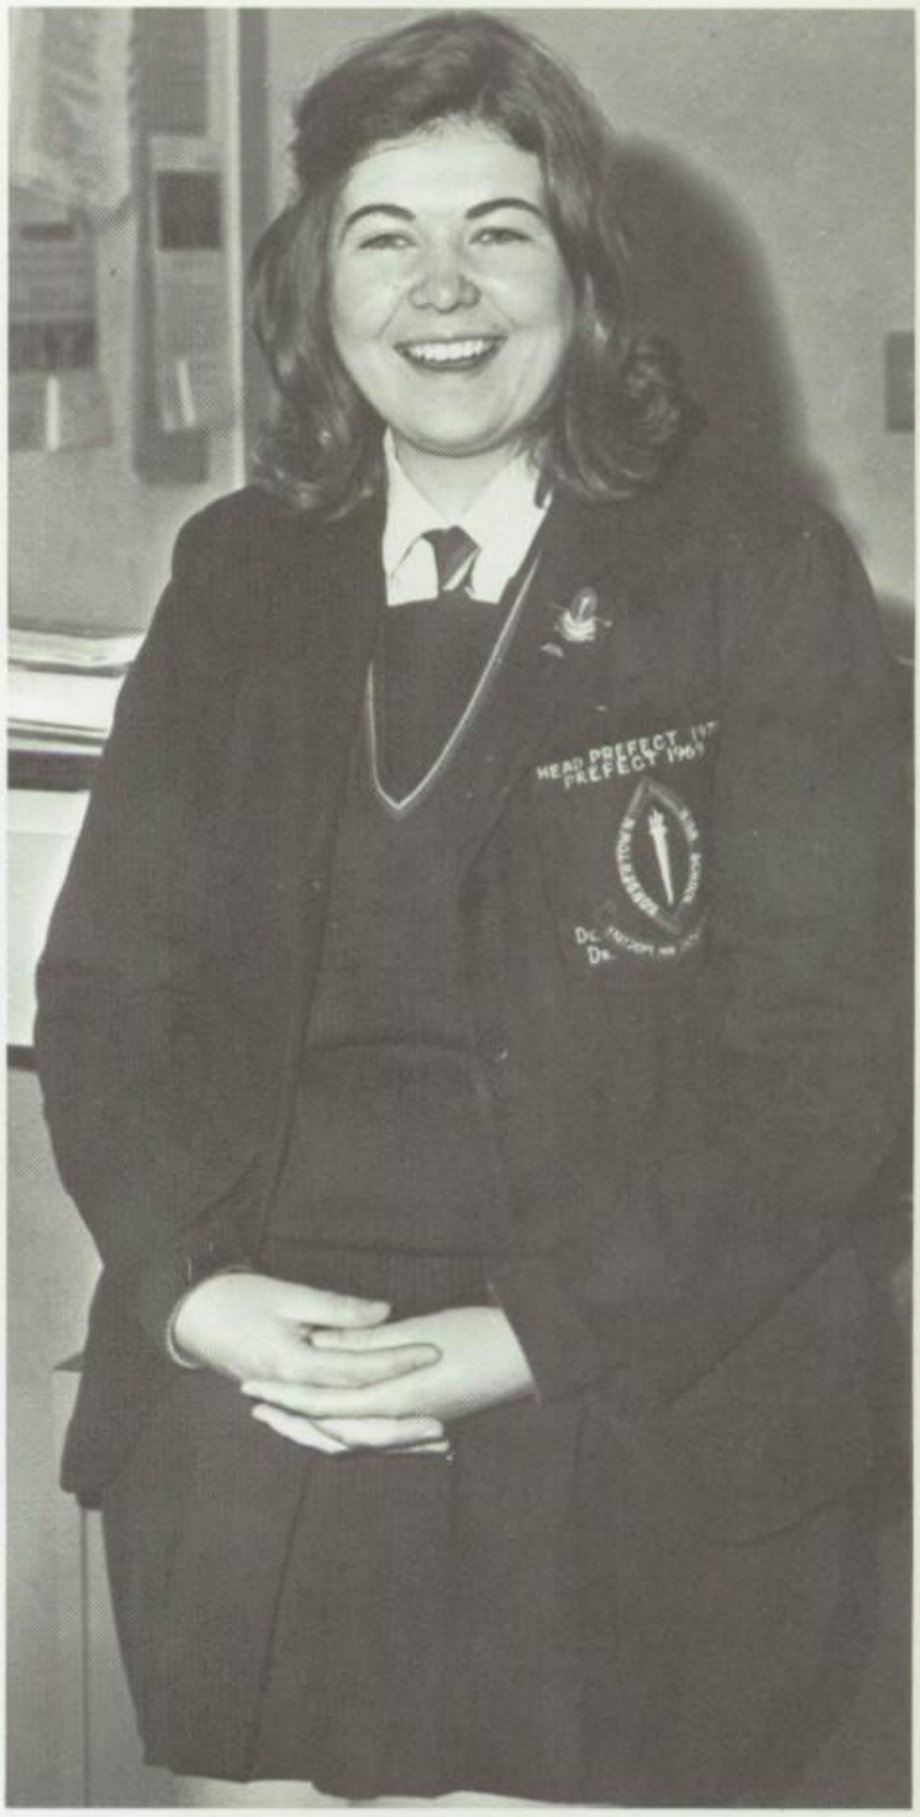
MARION



Marion Rodda is a welcome addition to our student body this year. She is our 17 year old foreign exchange student from Bordertown, Australia. She has two brothers, and one sister. In Australia she was a member of Debate, drama, Prefect Body (similar to student council), Sunday School teaching, and the magazine committee (annual). Marion's hobbies are music, reading, talking, writing letters. G.A.R.A., debate, student council, and Viking Round--Up staff are some of the activities that will keep her busy during her stay here in Pelican Rapids. She enjoys all of her classes because they are so different from the ones she took in Australia. She has completed 3/4 of her senior year and will finish the rest from August to September when she gets back to Australia. The Australian school year begins in February and ends in December. Marion's school in Australia has 8 forty-five minute periods with an hour for lunch, and a 15 minute break at 11 a.m. and 3 p.m.
